EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Morey Wildes on December 7, 2009.

The application has been amended as follows:

In the Claims

Cancel claims **29** and **30**.

2. The following is an examiner's statement of reasons for allowance: Independent claims 1, 13, 20 and 31 have been amended to include the limitation that the circuit board comprises a cut out sized for accommodating at least one power source. This feature previously appeared in claim 12, which was indicated as including allowable subject matter. Since the combination of elements including the newly added limitation in claims 1, 13, 20 and 31 are not explicitly taught or fairly suggested in the prior art of record, these claims are allowable. Claims 29 and 30 are not allowable in their present form and, by authorization from Applicant, have been canceled by this amendment.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John P. Leubecker whose telephone number is (571) 272-4769. The examiner can normally be reached on Monday through Friday, 6:00 AM to 2:30 PM.
